

# SMART PROJECT, PHASE II

## NEWSLETTER, YEAR 2011

- Introduction
  - Meetings
  - Participation of SMART project partners on International conferences
  - Coming workshops and Meetings
  - Disseminations activities in Year 2011
- 
- Introduction

The Newsletter for the year 2011 gives a short overview about the activities of the SMART project members in various Work packages during the year 2011.

- Meetings

### Two SMART meetings took place in year 2011

**The first one was the 3rd SMART II Scientific Coordination Meeting (Specific Strategy Meeting) in Malta, from 08. – 12. May 2011.** Invited to this Meeting were the members of the Steering committee, the work package speakers and several representatives of partner institutions of the SMART project. During the meeting that Meeting the progress of the research and the new obtained new results of SMART II were presented in frame of Work packages activities (WP 1 to WP9).
